CONCEPTUAL OPTIONS' SEPTEMBER SURROGATE SPOTLIGHT IS:

Corina

Being a surrogate has been an amazing experience. I have helped single people and couples become parents. Seeing how you are helping them fulfill a dream is such a humbling event!

I remember the tears flowing down the face of the first parent that I helped and that image will forever stay with me. The gratitude that they show you for the gift that you are able to help them achieve. I think that my experiences with all the different people and families I have worked with have been so positive and left me feeling like this has been the best decision I have ever made.

Surrogacy has become such a big part of my life and I absolutely love talking about my experience. The agency has been nothing but good to me and I refer friends to them when I am asked who I have worked with. The agency has played such a major role in the experiences that I've encountered and I am so happy that I went through them.

I absolutely love surrogacy and think it is such an amazing thing to do!
